

Jazz Drum Set Audition for Lab Jazz Ensemble

In addition to the requirements listed on the audition information sheet, please play *Fee-Fi-Fo-Fum* from beginning to end, with as much adherence to the recording of this arrangement as possible. You'll find the recording of this arrangement at www.ntjazz.com/mp3.

You'll be asked to play sections with the recording during your audition.

You should also be prepared to tell me which album this tune originally comes from (not this arrangement), as well as the name of the drummer. You will benefit greatly from listening to both the original recording (not posted but easily available) as well as the posted arrangement.
